In a few words...

- Organises the largest career fair in Switzerland and one of the most recognised in Europe.
- Founded on a campus welcoming more than 10’000 students from over 116 nationalities.
- This year is the 37th edition of Forum EPFL and the 11th edition of the Start-Up Day.
- Located close to the EPFL Innovation Park, an active nest for innovation and entrepreneurship with more than 170 start-ups.
- Rooted in a dynamic environment with an average of 13.3 new start-ups created each year.
CERTIFICATIONS AND STANDARDS

ISO 14 001, environmental standard - Certified in 2009 and recertified in 2018

Since 2009, the project for a responsible Forum expresses our concern for environmental issues. The Forum EPFL is the first event of its kind to be carbon neutral and ISO 14 001 certified.

ISO 9 001, managerial standard - Certified in 2013 and recertified in 2018

In 2013, the Forum EPFL became one of the first events of its kind to be ISO 9 001 certified in Europe. Following an audit by the Swiss Association for Quality Systems (SQS), an internationally recognised body, the Forum was granted this certification, which acknowledges the quality of the event’s organisation.

Its process of quality management allows us to meet the growing expectations of companies by optimising the transfer of know-how from year to year. Therefore the ISO 9 001 guarantees the professionalism of the Forum EPFL.
**REGISTRATION - START-UP DAY FORUM EPFL 2019**

The registration includes:

- A 4m² stand made of white composite panels (2.5m x 0.98m) with the name of your start-up, lighting and power supply
- Two pages (A5 format) in the Start-Ups Book (*LdS*). This document contains the list of all participating start-ups. One page is dedicated to advertising and the other to a description of your start-up. 1,500 copies of this book are printed and distributed to students and visitors from the 30th September. An online version is also available on our website from 16th September (previous edition of the book [here](#)).

**Enrolment fee*:  

| Until 30th August 2019 | CHF 100.- |

N.B.: To be able to register to the Start-Up Day, your start-up has to employ less than 50 people and be created less than 7 years ago. However, even if your start-up does not fulfill the above-mentioned criteria, we may still take into consideration your desire to be part of our fair. So please do not hesitate to contact us ([p.12](#)) so that we can find an agreement.

Our team will be glad to give you more details.
In collaboration with Swiss Climate, we make every effort to make our Forum a neutral event in carbon. This year, we have chosen to support the protection of forests in Zimbabwe to restore and protect the local ecosystem.

By supporting this project with the «0-emission» option, you contribute to stimulating sustainable growth, thanks to the raising of public awareness on multiple environmental issues, and the construction of various infrastructures, i.e. the creation of community gardens allowing food supply for the population.

0-EMISSION OPTION

Support our “Forum Responsible” project for a zero carbon emission event.

During your registration, you will have the opportunity to subscribe to the 0-emission option. It would involve you in our project of reducing our ecological impact.

By your donation, you contribute to help this cause. In appreciation, a flower will be delivered at your stand.
