2022 SPONSORSHIP OFFERS
40TH EDITION
40th Edition

From the 3rd to the 7th of October 2022

Swisstech Convention Center
EPFL, Lausanne
In 1982, the EPFL counted four times fewer students than today. However, an association was already being created within its environment, aware of the challenges arising at the end of the 20th century. 40 years later, that same association has grown while still staying focused on its initial objective: making the Forum EPFL, a catalyst for fruitful career meetings, between students and the professionals who shape our environment, between the EPFL and the rest of the world, between present and future. From its humble beginnings, the Forum EPFL has become the largest recruitment fair in Europe since 2019. It is a unique occasion for future graduates to start building their network, to interact with professionnals and to get a feeling of the life that awaits them outside the walls of their university. Our fair is a key opportunity for companies to recruit students directly on the campus.

As a student organization, the Forum EPFL could not exist without its partners. Supporting us does not only lead to share an unforgettable experience, it also gives you the opportunity to increase your visibility and reputation in Switzerland and in Europe through this highlight of the professional world.

We would be deeply honored to count you among our partners for this 2022 edition of the Forum EPFL.
